APR 2 1953

Mr. Charles R. Wilson
Colgate University
Hamilton, New York

Dear Mr. Wilson:

It would be a wonderful thing to be able to address the delegates and guests of the Conference on American Foreign Policy this July. Unfortunately, however, my present plans may take me out of the country at about that time of the year and I must therefore decline your very cordial invitation.

I wish you every success in the venture.

Sincerely yours,

SIGNED
Allen W. Dulles
Director
